

Homework and notice 2014-2015

7 Peace

From 25 August 2014 to 17 February 2015

2015/02/17 (Due 3/3/2015)

1. Finish the chapter quiz. If you are absent download it here.

CQ_1E07.pdf

• [DetailsDownload](#) 442 KB

Make sure you revise the chapter summary in NT S1B Chapter 7 before you do the quiz.

2. Finish the set Mathematics tasks

3. If you haven't done 2 Math work for the e-portfolio, catch up and that will be checked after the break.

2015/02/02

Check the Y7 assessment wiki for the most updated notification for assessment 4

I will print the assessment practice 1 and practice 2 for you and we will do it within this week in class (you don't need to print it).

Our class will do the assessment on next Wednesday (11/2) and Thursday (12/2).

2015/01/28

Catch up with all classwork we set from Monday:

1. Class Activity 11.2 (p.11.6)
2. Skills Upgrading Corner 11.1 (p.11.8-11.9 Q1-3)
3. Class activity 11.3 (P.11.11-11.12)
4. Skills upgrading Corner 11.2 (p.11.16-11.17 Q1-3)
5. Ex 11A (p.11.10-11: Q1b, 2b, 3b 4, 6, 8)
6. Ex 11B (p.11.17-11.20)

Level A students: (9, 11, 14, 17)

Level B students: (3, 5, 9, 11)

Level C students: (3,5)

*For item 5 and 6, you might choose 1 exercise (or half from each exercise)

2015/01/26

1. Remember to hand back the T1 SAW assessment paper with parent's signature tomorrow.

2. Remember to bring in NT S1B Ch 11 and MYP2 Ch 23

New Trend S1B Chapter 11

eBook_1E11.pdf

• [DetailsDownload](#) 5 MB

3. Mathletics tasks

2015/10/22

H&H MYP2 Review set 17A or 17B

*Mathletics tasks (due next Wednesday)

2015/01/21

1. Finish the following classwork if you haven't done so in class or at home

(H&H MYP2 Ex 17A: 2-4)

(H&H MYP2 Ex 17B: 2,4,6)

(H&H MYP2 Ex 17C: 1-3)

2. Finish today's classwork

(H&H MYP2 Ex 17D: 1-3, any two questions only)

(H&H MYP2 Ch17E: 1-3, any two questions only)

(H&H MYP2 Ch17F: 1-2:a, c, d, e only)

*Continue to use graph exercise book for this unit, don't waste the graph pages (don't skip pages).

2015/01/20

As I've promised, if you work really well in class you will not have much homework to do, because most of the homework are mainly finishing your incomplete classwork and Mathletics only.

*Use graph exercise book for this unit

Finish today's classwork:

H&H MYP2 Ex 17A: 2-4

H&H MYP2 Ex 17B: 2,4,6

Conversion graphs H&H MYP2 Ex 17C: 1-3

Travel graphs H&H MYP2 Ex 17D: 1-3

2015/01/28

Catch up with all classwork we set from Monday:

1. Class Activity 11.2 (p.11.6)

2. Skills Upgrading Corner 11.1 (p.11.8-11.9 Q1-3)

3. Class activity 11.3 (P.11.11-11.12)

4. Skills upgrading Corner 11.2 (p.11.16-11.17 Q1-3)

5. Ex 11A (p.11.10-11: Q1b, 2b, 3b 4, 6, 8)

6. Ex 11B (p.11.17-11.20)

Level A students: (9, 11, 14, 17)

Level B students: (3, 5, 9, 11)

Level C students: (3,5)

*For item 5 and 6, you might choose 1 exercise (or half from each exercise)

2015/01/26

1. Remember to hand back the T1 SAW assessment paper with parent's signature tomorrow.

2. Remember to bring in NT S1B Ch 11 and MYP2 Ch17

New Trend S1B Chapter 11

eBook_1E11.pdf

• [DetailsDownload](#) 5 MB

3. Mathletics tasks

2015/10/22

H&H MYP2 Review set 17A or 17B

*Mathletics tasks (due next Wednesday)

2015/01/21

1. Finish the following classwork if you haven't done so in class or at home

(H&H MYP2 Ex 17A: 2-4)

(H&H MYP2 Ex 17B: 2,4,6)

(H&H MYP2 Ex 17C: 1-3)

2. Finish today's classwork

(H&H MYP2 Ex 17D: 1-3, any two questions only)

(H&H MYP2 Ch17E: 1-3, any two questions only)

(H&H MYP2 Ch17F: 1-2:a, c, d, e only)

*Continue to use graph exercise book for this unit, don't waste the graph pages (don't skip pages).

2015/01/20

As I've promised, if you work really well in class you will not have much homework to do, because most of the homework are mainly finishing your incomplete classwork and Mathletics only.

*Use graph exercise book for this unit

Finish today's classwork:

H&H MYP2 Ex 17A: 2-4

H&H MYP2 Ex 17B: 2,4,6

Conversion graphs H&H MYP2 Ex 17C: 1-3

Travel graphs H&H MYP2 Ex 17D: 1-3

2015/01/08

1. Revision Test A:

- a. Download solution from the assessment wiki
 - b. Do corrections and finish all questions of this paper.
 - c. Make sure you are aware of the correct workings, reasonings, etc.
2. Finish NT Revision Test 1A (Q1,2,6,8,9,12,13,20,22,23,24,25,28), check answer and do corrections
3. Check wiki for more Revision exercise and solutions.
- Try your best to get your best results in the SAW.

Good LUCK!

2015/01/06

Maverick, Brendan, Cheuk Kiu (CK), Amanvir, Charlotte and Lara: you all have incomplete Mathletics tasks. Make sure you finish it before tomorrow's Maths lesson.

1. Keep revising and work on your e-portfolio.

2015/01/05

Reminders:

1. Make sure you finish all set Mathletics task. It have just been renewed (at 4:00pm today)
2. Bring back your Math binder for checking
3. Prepare for quiz (check assessment wiki for updated study guideline/ booklet/ solution, etc.)
4. Start working on your e-portfolio, at least 2 items for Maths should be done by 20 January, 2015

2014/ 12 / 17 (Holiday homework)

1. Finish H&H Review Set 18A (draw sketch, check answers and do corrections)
2. Download T1 SAW notification and revision exercise from the assessment wiki. (Quiz will be given after the Christmas break)
3. Mathletics tasks will be set once a week (within the Christmas)

Due date for the first set is 30/12/2014

Due date for the second set is 6/1/2015

If you get lower than 85 for some important exercise, tasks will be resent. Please check frequently.

2014/ 12 / 16

1. Finish H&H MYP2 Ex18D (odd numbers only)
2. Reminder: mathletics tasks due tomorrow 8:00am

2014/ 12 / 15

1. Only 5 students handed in the circle project hard copy and the instruction sheet on time today.

Only 8 students email me the soft copy of the project before deadline.

Please make sure you all print the hard copy and hand in tomorrow and send me the soft copy not later than 8:00am tomorrow.

2. Still a lot of you haven't fix the 4 exercise I've checked within last week (NT Ch3 Check yourself, NTCh13 Check yourself, H&H Review set 2A/2B, H&H Review set 14!/14B).

Make sure you download the solution, check the answer (tick with colour pen) and do corrections with proper steps (including sketch, labelled diagram, proper steps, reasons, etc).

Will check again tomorrow and if not up to standard, will need to stay for detention on Thursday (17/12) after school.

3. Finish H&H MYP2 Ex18C (Q1, 3, 10 and 13)

2014/ 12 / 11

1. Finish the whole circle project

Year 7 Circle Project.pdf

• [DetailsDownload](#) 187 KB

Print and hand in the hard copy of your whole project and the instruction worksheet in Monday's lesson

Send me the soft copy by Monday 8:00am

Be prepare to present your finding to your group / to the whole class next Tuesday.

2. H&H MYP2 Ex 18B.1, 18B.2 (show working in blue book)

3. Finish set mathematics tasks (due Wednesday 17/12, 8:00am)

2014/ 12 / 09

1. Finish the stage 1 and stage 2 of your circle project.

Bring in material for tomorrow's experiment.

2. Finish the set matheletics tasks (due tomorrow 8:00am)

2014/ 12 / 08

1. Download and following solutions, do the marking and correction:

a. Solution for Quiz on Line and Angle - Key terms and summary

Term for Angles, parallels and quadrilateral_solution.pdf

• [DetailsDownload](#) 834 KB

b. Solution for NT Ch3 Check yourself

NT Ch3 Check yourself_solution.pdf

• [DetailsDownload](#) 373 KB

c. Solution for NT Ch13 Check yourself

NT Ch13 Check yourself_solution.pdf

- [DetailsDownload](#)455 KB

d. Solution for H&H Review Set 2A

H&H Review Set 2A_solution.pdf

- [DetailsDownload](#)471 KB

Or Solution for H&H Review Set 2B

H&H Review Set 2B_solution.pdf

- [DetailsDownload](#)450 KB

e. Solution for H&H Review Set 14A

H&H Review Set 14A_solution.pdf

- [DetailsDownload](#)934 KB

or

Solution for H&H Review Set 14B

H&H Review Set 14B_solution.pdf

- [DetailsDownload](#)848 KB

2. Circle project: Stage 1 (research - also refer to investigate 2 in H&H p.355)

2014/ 12 / 05

Sorry for the late action.

Please wait for another day for the upload of suggested solutions.

2014/ 12 / 04

1. H&H Ex18A (show answer in blue book, check answer and do correction)
2. Check answer and do corrections for the exercise you've done for NTCh13, H&H Ch2 and H&H Ch14.

*(Check this wiki again tomorrow night for the suggested solutions)

3. Sign and hand in the Assessment 2 Pattern Poster next Monday.
4. Mathematics tasks (due next Wednesday (10/12) 8:00am

2014/ 12 / 03

1. Finish H&H Review Set 14A or 14B with proper steps and reasons in your blue book.
2. (4/12) Quiz on terms and properties of angles, triangles, parallel lines, quadrilateral and naming of polygons.

2014/ 12 / 02

1. Finish H&H Review Set 2A or 2B with proper steps and reasons in your blue book.
2. Start doing H&H Review Set 14A or 14B with proper steps and reasons in your blue book.
3. Study the abbreviate for all the angles, parallels from NT S1B chapter 13 (Summary) and the properties of quadrilateral from H&H Ch14 (p.284) and get ready for a quiz on these vocabulary and properties on the coming Thursday (4/12).

2014/ 12 / 01

1. Finish NT S1B Ch13 Check yourself (make sure you use the proper way as shown in today's lesson).
- Remember to bring NT S1B Ch13 and H&H MYP2 for tomorrow's lesson.

2014/ 11 / 30 (Reminders for tomorrow's lesson)

Remember to bring NT S1B Ch13 and H&H MYP2 for tomorrow's lesson.
We will revisit the proper workings and good presentations for doing triangles and parallel lines and deductive geometry tomorrow.

2014/ 11 / 20

Make sure you finish the classwork set for the cover lesson and the check yourself for NT S1B Ch13

NTS1B Ch13

eBook_1E13.pdf

• [DetailsDownload](#) 8 MB

2014/ 11 / 13 (due next Monday)

Ex 3E (1b, 2b, 3b, 4b, 5a)

Ex 3F (2, 4, 6, 8)

Mathletics tasks (due Wednesday 8:00am)

2014/ 11 / 12 (Ex 3A-3D due tomorrow)

Ex 3D (if you are on task, this exercise will not take more then 30 minutes)

2014/ 11 / 11

1. Finish Ex 3B all questions
 2. Finish Ex 3C (even number only)
- Show all working in your Maths journal (blue book).

2014/ 11 / 10
NT Ch 3 ebook

eBook_1E03.pdf

• [DetailsDownload](#) **8 MB**

Finish all Mathletics set tasks (due tomorrow 8:00am)

Finish all questions of NT Ex 3A (show working in the blue exercise book)

Remember to bring your ruler, pencils, eraser, protractor, compasses and triangles (square sets), also bring textbook NT S1A and your blue Math Journal for all Maths lesson.

2014/ 11 / 07

Mathletics tasks - due on Tuesday (11/11)

If you still haven't finish your poster assessment come today lunch time in room 915 to finish it.

2014/ 11 / 05

Tomorrow is the last day you should do your poster assessment.

Some of you are absent for 1 or 2 lessons, you might come in lunch recess or after school (only Thursday) to catch up.

I will be in room 915

2014/ 11 / 04

Make sure that you know what to fix and what do you need to bring in for tomorrow's poster assessment.

2014/ 10 / 30

1. Prepare all necessary material and stationery and bring to school on Monday for Assessment 2

(you are only allowed to print photos/ picture or data/ numbers directly related to the real-life example)

2. Catch up with Ex 4A, 4B, 4C

Do Revision 4 (NT Ch4 p.4.23-4.27) - Due next Tuesday

Level A (Q1-4 do part c only, 6, 8, 10, 12-14 part b only, 16, 18, 20, 22, 23-28)

Level B (Q2-4 do part c only, 6, 10, 12-14 part b only, 18, 22, 24-28)

Level C (Q2-4 do part a only, 6, 12-13 part a only, 18, 24, 26, 28)

2014/ 10 / 29

Level A: Ex4C (1-12 only even number, 13-20 all)

Level B: Ex4C (1-20 only even number)

Level C: Ex4C (1,4,7,10,13,16,20)Revision 4 (NT Ch4 p.4.23-4.27)

We will discuss the answer tomorrow.

2014/ 10 / 28

Finish the Ex 4A and 4B tasks we set for today and yesterday.

Ex4A: Q1-11 do part b of each questions only

Ex4B: Q1-14, do part b of each questions only

Follow the proper steps and workings.

Check and complete the Google form about your preparation for assessment 2.

2014/ 10 / 27

ebook NT Ch4

eBook_1E04.pdf

• [DetailsDownload](#) 5 MB

1. Ex4A: Q1-11 do part b of each questions only)

2. Mathletics tasks due tomorrow.

3. Bring back your Math Binder tomorrow and make sure it is well organised.

*Check and download assessment 2 notification (from Y7 assessment wiki)

*Most of you can't give me a topic (real-life example) to the teacher, you must do it tomorrow (fill in the google form).

Make sure you have research enough info (photo/ data) for your assessment.

2014/ 10 / 15

1 Make sure you finish the Pattern and Sequence:

a. NT Ch2: Chapter summary (p.2.32-2.33)

b. Check yourself (p.2.33-2.34) (if you didn't finish in Class).

2. Must have your example of real-life pattern ready by Monday 27/10 (assessment 2: pattern poster)

3. New Mathletics task have been set, everyone have 10 tasks now, do 2 tasks everyday from next Monday to Friday. (Due Tuesday 28/10)

4. You should have get an invitation for the 'Khan Academy', please accept and try the tasks.

2014/ 10 / 14

1 Make sure you finish the Pattern and Sequence:

a. NT Ch2: Chapter summary (p.2.32-2.33)

b. Check yourself (p.2.33-2.34) (if you didn't finish in Class).

4. Must have your example of real-life pattern ready by Monday 27/10 (assessment 2: pattern poster)

2. New Mathletics task have been set, everyone have 10 tasks now, do 2 tasks everyday from next Monday to Friday. (Due Tuesday 28/10)

The following students haven't complete the Mathletics tasks a set 6 days or more:

Missing 10 tasks: Adam Chan, Samantha Chan, Cheuk Kiu Lee,

Missing 8 tasks: George Ji

Missing 7 tasks: Toby So,

Missing 6 tasks: Amanvir, Anders Chu, Bryan Heung,

Missing 5 tasks: Tiffany Poon, Heidi, Eva Guo,

Missing 2 tasks: Charlotte, Lau Tsz Ki, Yuk Sum, Maverick, Sebastian,

Missing 1 task: Lara Yim,

3. You should have get an invitation for the 'Khan Academy', please accept and try the tasks.

2014/ 10 / 13

1. Remind your parent to sign the assessment 1 (next to the teacher given grade in p.2 and p.3), hand in tomorrow or not later than Wednesday.

If your parents are not in Hong Kong and cannot sign it, ask them to send me a email and return the paper to me tomorrow.

2. Research and start thinking about different type of sequence that appear in real life.

3. Check if you have more Mathletics set task or not (Due next Wednesday 15/10)

2014/ 10 / 09

1. Correction of NT Chapter quiz 1

NTCQ_01_ans.pdf

• [DetailsDownload](#) 135 KB

2. Research and start thinking about different type of sequence that appear in real life.

3. More Mathletics set task for pattern, sequence and algebra (Due next Wednesday 8:00am)

2014/ 10 / 07* (Due on Thursday, updated 2014/10/08)

1. Download the NT Chapter 2 ebook

eBook_1E02.pdf

• [DetailsDownload](#) 6 MB

2. NTS1A Chapter 2

Level A students:

Ex 2A (1a, 1d, 1g, 1j; 2a, d, g; 3a, d, g; 4a,d,g; 7, 10,a,b)

Ex 2B (1a, d; 2a, d; 3a, 4, 7, 11a, b, c)

Level B students:

Ex 2A (1a, 1d, 1j; 2a, d; 3a, d; 4a,d,g; 10,a,b)

Ex 2B (1a; 2a; 3a, 4, 7)

Level C students:

Ex 2A (1a, 1d; 2d; 3d; 4a,d,g)

Ex 2B (1a; 2a; 3a, 4)

Make sure you have checked the whole blue exercise book, marked with a different colour pen, do corrections for all the set Exercise until now. It will be collected

tomorrow.

3. Finish all Mathletics set tasks by next Monday 8:00am
(normally if a task scored less than 85 will be reset, check if you have reset on Saturday nights).

2014/ 09 / 25

Check answer and do corrections

Chapter Quiz 9

NTCQ_09_ans.pdf

• [DetailsDownload](#) 610 KB

2014 / 09 / 24

Prepare for a quiz on directed number tomorrow.

Make sure you are ready for (29/9) Monday's assessment.

2014 / 09 / 23

1. Some of you still not yet finished your assessment map, make sure you hand in tomorrow.

2. Make sure you have finish or do correction about planning a journey for WS 3 and make up all your missing homework.

Make sure you check the assessment notification and get ready for Monday's assessment.

2014 / 09 / 22

1. Amend your map for assessment 1, double check with the check list.

You have a double lesson to fix the map tomorrow. By the end of the lesson, the map and the checklist will be collected and if it is not up to standard / or not finish, you might need stay on Wednesday after school to fix it.

2. A lot of you missing a lot of homework (NT set on 4/9, 8/9, 14/8 and the worksheet given last Monday), please refer to the related dated entries and fix all of them before Thursday's lesson (that is helping you to get ready for next Monday's assessment).

3. Any missing cover page or printing items should be in the binder by now and corrections of worksheet for directed numbers should be down and put in the binder by now.

2014 / 09 / 18

Follow the Assessment 1 notification checklist to finish drawing your map for Assessment 1.

Bring in the map on Monday for peer checking (do not colour it yet).

2014 / 09 / 15

Cover Work for 2014 September 15_7P.pdf

• [DetailsDownload](#) 29 KB

2014 / 09 / 14

I didn't update the homework last Thursday and I can't take your lesson tomorrow, since I need to attend workshop (about the project zero).

Therefore, I am not going to collect HW tomorrow. However, you do need to catch up and get ready for your coming assessment.

1. Make sure you check answer and do corrections for all your directed number worksheet.
2. Finish NT Ch9 Ex 9B (2a, 3b, 4c, 6, 8) and 9C (1a, 2, 4d, 5a, 8, 10) - show steps in your Blue Math exercise book.

2014 / 09 / 08

eBook_1E09.pdf

• [DetailsDownload](#) 10 MB

1. Do corrections for all exercise of your Mathletics worksheet (show steps clearly), then check your corrections again.

Mathletcic worksheet_directednumbers_solution.pdf

• [DetailsDownload](#) 257 KB

2. (for 2a and 2b: Write all your answers on the blue book, only choose your level to work on and due on Thursday)

2a. NT Revision Ex 1 (p.1.40-1.42)

Level A (Q1, 3a,d,g, 4a, 5b, 6d, 8c, 10, 13b)

Level B (Q1, 3d,, 4a, 5b, 6d,1 0, 13b)

Level C (Q1, 3a,, 4a, 5b, 10)

2b. NT Ex 9A (p.9.10-9.12)

Level A (Q1,3,4a,5b,6,8,11,14)

Level B (Q3,5b,6,8,14)

Level C (Q1,3,6,11)

Start interview your relative about how they got to Hong Kong (for your assessment 1)
Record your answer in your Math Journal.

2014 / 09 / 04 (All Due on Monday)

1. Finish Mathletics worksheet (p. 26, 31, 32)
2. NT p.1.37-1.38 Chapter summary and p.1.38-1.39 Check yourself (show your

answer and steps on your Math journal (blue exercise book)
* Make sure you print all missing items / dividers for the binder.

2014 / 09 / 02

1. A lot of you are missing some printing items for your binder, some didn't have their name for the binder and some didn't bring in a proper binder, make sure you bring in the missing item and fix it tomorrow.
2. Complete the Mathletics WS:
 - a. Ascending and descending order (p.9-10)
 - b. The Number line (p.11-12)
 - c. Addition and subtraction using a number line (p.15-16)

2014 / 09 / 01

We miss today's lesson.

Make sure you have finished and handed in your first two Maths homework (Math binder-refer to 2014/08/26 and Numebr activity 1-refer to 2014/08/27)

2014 / 08 / 28

1. Finish the activity 1 (classify/organise the given numbers under the mathematical terms) - download and save level 2 worksheet, then follow instructions to finish the task. (due on Monday - 1/9)
2. Download the essential agreement, save it in your Maths folder and print it.

Math essential agreement_915.pdf

- [DetailsDownload](#) 46 KB

3. Reminder: Binder due on 1/9 (see **2014 / 08 / 26**) for detail.

2014 / 08 / 27

1. Finish the activity 1 (classify/organise the given numbers under the following mathematical terms)

Numbers given:

$-5, -3, -1\frac{1}{2}, -\frac{3}{4}, 0, 1.2, \sqrt{2}, \pi, 4, 5$ **1, 2, 3, 6, 7, 8, 9, 10, 11, 55 %**

Mathematical terms/ vocabulary given: Real Numbers, Rational Numbers, Irrational Numbers, Non-integers, Integers, Whole Numbers, Negative Integers, Zero, Positive Integers, One, Prime Numbers, Composite Numbers.

If you feel you need help, download the activity worksheet:

Level 3 for ATYP or very talented students

Numbers_activity 1_level 3.pdf

- [DetailsDownload](#) 195 KB

Level 2 for Most of you

Numbers_activity 1_level 2.pdf

- [DetailsDownload](#) 216 KB

If you still feel difficult, download level 1

Numbers_activity 1_level 1.pdf

- [DetailsDownload](#) 225 KB

We will discuss the answer tomorrow (sorry for being late to upload this today).

2014 / 08 / 26

1. Homework will normally be set on Mondays, Tuesdays and Thursdays and will clearly state when will that be due in this wiki if that is not due next lesson.
2. Prepare and bring in your Math binder next Monday (1/9) (A4 size, 1 to 1.5 inches thickness, encourage to reuse last year's), the binder need to include the followings:

- a. A cover sheet (with your name, class, subject, and other decoration)
 - b. Print the important documents from the assessment wiki (student friendly rubrics, assessment schedule)
 - c. Buy and prepared divided (10 will be enough)
3. Bring in NT (New Trend) S1A Chapter 1 (you might download the ebook and use at home and leave your hard copy of textbook in room 915, must label with your name)

eBook_1E01.pdf

- [DetailsDownload](#) 7 MB
